

All hands needed on deck for the *Duyfken*

Volunteering on board the Duyfken is rewarding and fun

THE *Duyfken* has put out an urgent call for volunteers as the ship prepares for its major voyage to Dirk Hartog island in 2016.

The *Duyfken* will be the centre piece for the 400 year celebrations of Dirk Hartog making landfall and leaving the pewter platter suitably inscribed at Cape Inscription.

To get there they need your help. For such a voyage the Dove must be ship-shape, so there is a desperate need for those handy men and women, good hands to do all sorts of chores and maintenance over the next few months and most especially in September.

Can you help with the following?

- 1. Hull caulking and sealing hull beams**
- 2. Scraping, painting and oiling to restore timbers**
- 3. Cleaning up ballast**
- 4. Rope and canvas work, running rigging, sheets and halyards**
- 5. Electrician for both 12 and 240 volt systems**
- 6. Mechanic with diesel experience**
- 7. Retired mariners especially welcome.**

It's rewarding and fun as you join the dedicated team and become part of the *Duyfken* family.

If you can help with any of these tasks, please volunteer today and help to get the Little Dove ready for this major Western Australian event, the Hartog 400 year Celebration.

Please call Gail on 0427 160 606 or email your name, phone and details to info@duyfken.com
