

# Duyfken needs your help during its refit this year

LAST MONTH the *Duyfken* put out an urgent call for volunteers as the ship prepares for her proposed move to Elizabeth Quay late this year and her major voyage to Dirk Hartog island in 2016.

The *Duyfken* needs you - *Have a Go News*' readers to help them get her ship shape.

Yes, there is much to do with the *Dove* coming out of the water in October for a major clean up and repair.

For such a voyage of this type she needs to be ready and a long list of jobs and repairs must be ticked off before she sets sail.

There's a desperate need for handy men and women with good hands to do all sorts of chores and maintenance over the next few months and most especially in October.

Can you help with the following?

1. Hull caulking and sealing hull beams.

2. Scraping, painting and oiling to restore timbers.

3. Cleaning up ballast.

4. Rope and canvas work, running rigging, sheets and halyards.

5. Electrician for both 12 and 240 volt systems.

6. Mechanic with diesel experience

Retired mariners are especially welcome. Join the existing volunteers and become a part of the *Duyfken* family.

If you can help with any of these tasks please volunteer today and help to get the *Little Dove* ready for this major Western Australian event, the Dirk Hartog 400 year Celebration and her visit to Elizabeth Quay.

Please call Gail the volunteer coordinator on 0427 160 606 or email your name, phone and details to [info@duyfken.com](mailto:info@duyfken.com).
