

# We need your help to stay afloat

*The Duyfken 1606 Replica Foundation* is a non-profit organisation run by a small team of dedicated people who are committed to see the ship succeed in the long term. But we can't do it without the financial support of others - like you - who appreciate the ship's significance and also want to see it succeed.

There are several ways you can help to keep *Duyfken* afloat:

- **A donation.** This could be while you tour the ship and place your change/small notes into the donation box on board. If you can't get to the ship and would still like to donate email us at [info@duyfken.com](mailto:info@duyfken.com)
- **A tax-deductible gift.** *Duyfken* is registered as a tax deductible gift recipient for Australian taxation purposes, however we need your details to be able to send you the receipt you will need – fortunately we both benefit from this arrangement. We can accept your donation by cash, cheque, direct deposit, money order, credit card or Bpay. To help us get the details correct, contact [info@duyfken.com](mailto:info@duyfken.com) BEFORE you make the donation!
- Become a ***Friend of Duyfken***. The Foundation runs the organisation on behalf of the members, or Friends, of *Duyfken*. Membership costs \$50 per year. Becoming a member will entitle you to voice your opinion about the future of *Duyfken* at the Annual General Meeting held at the end of each calendar year. You will also receive a quarterly newsletter to keep you up to date on the latest happenings.

**Your support is greatly appreciated.**
